

Talk to an Expert

These questions will help you get ready to talk to an expert. You can see some ideas below, but don't be afraid to ask different questions!

Write or draw any fun facts you learn.

Expert's name
and field
of expertise:

How did you learn about it?

When did you become
interested in this topic?

What advice would you give to someone
who wants to learn more about this?

What do you like most
about it?

What's a fun fact you know
about this topic?
